A Warm Welcome From Our Chairperson

Welcome to our 16th pantomime, Robinson Crusoe & The Pirates. This is my first year as chairperson and it has been hard work but very rewarding. We have a good committee who are very supportive and hard working. We started the ball rolling last May by choosing the script, Auditions were held in September and rehearsals started in October. We have new and old faces in the cast who have danced, sung, shouted and laughed to get us where we are today.

I am very proud to be part of the team and have really enjoyed myself, "Once your in you are hooked" and you can't wait for the next pantomime. I would like to say a big thank you to every one who has helped in any way, but especially to the cast, crew, band and many helpers.

There is only one thing left to say, Sit back and enjoy the pantomime and don't forget to cheer, clap, laugh and boo!!

TRUDGIAN FARM

QUALITY TRADITIONAL MEATS PRODUCED NATURALLY

The Richards have been farming locally since 1901. Their free range beef, pork and lamb are all born and reared on the farm and fed on grass and homegrown cereals. The vegetables are grown without the use of artificial pesticides or weed killer. There is a Delicatessen stocking a wide range of local cheeses, locally made jams, bread and cakes.

The family now in it's fourth generation of farming use traditional methods and are committed to selling their own and local products of the best quality at a fair price.

The Directors Bit

Here we are again....Many sleepless nights and Panto Pillow Talk behind me. It's now up to the cast to dazzle you with their brilliance. I can honestly say I have enjoyed this year and gone home after many a rehearsal with sore sides from all the laughing. Yet again the cast have pulled out all the stops and taken everything I have thrown at them (literally) and given their all.

We have some new cast members this year along with new crew members. I must mention our superb dancers this year who have worked very hard with Angie to bring Panto dancing to a new level.

This year see's me on stage "large with eight legs" what a role! Still everyone has to start somewhere! Look at Dean Nolan from a Fairy in Peter Pan....Now staring in Thomas the Tank Engine. There's hope for me yet!

I hope you enjoy the show and be prepared for lots of audience participation. Sing, Laugh and Boo but above all have fun.

Thanks for your Support

SYNOPSIS

ROBINSON CRUSOE & THE PIRATES

The Crusoe boys, Robinson and Willy, find themselves thwarted in their hopes of marrying their sweethearts. Willy cannot marry Bessie because her father, Captain Bowsprit wants someone with money and Robinson's Polly is always dashing to her sick grandmother. Luckily Robinson inherits his uncle's treasure map and he sails away on the Captain's ship with Bessie, Willy and his mother, Ma Crusoe in search of untold wealth.

Saying any more would give the game away suffice to say Good eventually triumphs over Evil and along the way there is the usual mayhem, song and dance that is Pantomime.

Enjoy!!

Jan Tofts - Black Beard

This year sees Ian playing the infamous baddie - Blackbeard the Pirate, which is an improvement on "Old Cascara" from two years ago where Steph got me to wear ludicrous costumes, for example the "French Maid Outfit". Ian said he would like to go to the Maldives and relax in paradise.

Gary Molden - Man Friday

Gary is a fan of Norman Wisdom and gets to be funny in his role as Man Friday. Gary says he has enjoyed working with Rachel and Andrew especially when they pretend to be drunk. The Bourne Ultimatum is my favourite film says Gary, although I had to watch it three times to understand it.

Jo Pryce - The Medicine Woman

This is Jo's second outing with Probus Parish Players and Jo said she would like to be like Mr Bean as he never gets upset & goes through life quite happily. Jo said she would like to visit Essex as she was born there and her favourite film is "Love Story" as she says it's soppy. Jo said she liked watching Rachel acting like a monkey in rehearsals.

Ria Davies - King Neptune

This is Ria's first outing with Probus Parish Players and Ria said that she has enjoyed every minute. Ria said she would like to be like Catherine Tate - who knows how many characters she could play. In this year's pantomime she says she has enjoyed watching the girls do the "Native Dance".

Julie Kennedy - Patch

Julie needs no introduction, having been with Probus Parish Players from the beginning. This year Julie puts on her comedy face as Patch but says her favourite role was as Morgana in King Arthur, she loved playing a baddie. When asked who she would most like to be Julie answered anyone twenty years younger - Any Ideas?

Andrew Molden - The Parrot

The Parrots name has been chosen by pupils from Probus School.

Rachel Baker - Phil The Gorilla

Rachel plays Phil The Gorilla & loved creeping up on Mike in her costume during rehearsals - it scared him to death and made everyone laugh. Her favourite moment from pantomime was in Ali Baba & The Forty Thieves when Ben lost his voice and Devon called him Throaty on stage, there then followed a bout of quick fire witty banter. Rachel said she would like to go on safari in Kenya - We only hope she removes her costume first!!

Keira Beshop - The Crimson Hawk

On a break from a busy Hollywood schedule having understudied for Keira Knightly in Pirates Of The Caribbean, Keira is currently researching her new film roll in which she will be playing an unfamous female pirate, Keira has joined Probus Parish Players to see acting at grass root levels and work with potential Hollywood stars of the future. Keira stated that she was well impressed with the talent at Probus Parish Players and will be recommending them to her agent in Hollywood for future film roles.
