PRODUCERS NOTES

Hi Folks

When we met for auditions last June, and The Probus Parish Players group was formed, we thought that January '92 was a long way off. Little did we know how quickly seven months would pass by. CINDERELLA is the result of much planning, hard work and of course, a lot of fun by many people in and around the village. However, none of what you see today would have been possible without the support and generosity of all those who put in so much effort to raise the much needed funds to stage this production. Hopefully at the end of the day we will have some capital remaining to provide a head start for the next production - whatever that may be (Directors always welcome!!).

So if you have enjoyed this pantomime as much as we have enjoyed putting it together please do let us know. Probus Parish Players may then be able to come back and entertain you again very soon.

My sincere thanks to everyone who has helped in whatever way over the last few months - it has been a real team effort. And thanks to you the audience as well and I wish you all an enjoyable, entertaining and fun-filled couple of hours.

Roomy.

Vroomy.

Or both.

Thinking about a new mid-size car? Look no further than a Mazda 323. With eleven different models, you'll find just the right one!

Classic saloon? Pick the elegant four-door, with roomy interior and ample space for four adults.

Sporty hatch? Try the three-door with its dynamic lines and agile performance - great for the young at heart.

For those who like to have their cake and eat it, there's the unique Fastback. It makes stunning good looks with five door convenience and excellent cabin space.

Performance options come from three 16-valve engines, from a snappy 1.3 to the gutsy 1.8. Power steering is standard on all models.

The 323. The most reliable model ever tested by 'What Car?' Add Mazda's 3 year warranty plus. The result - years of happy motoring.

Come on in and put a smile on your face!

The Sanctuary, Probus
January 1992

Welcome to Cinderella! and welcome to the Ball!!

I do hope you all have an enjoyable couple of hours of fantasy and fun as we journey together to Merrivale and follow the fortunes of Cinderella and her sisters. Like many village communities throughout the land we have been preparing the pantomime for months. This production was started by members of Probus Parish Church and has welcomed the talents and help of so many people in our community - bringing out lots of hidden gifts for which we are very grateful.

Probus itself has grown tremendously in recent years and it is many years since the last village pantomime. Let's hope that here we have set in motion something which will continue to bring together friends and families of all ages to strengthen the very heart of our village for years to come.

I know all the cast and crew of Cinderella would want to join me in thanking Nick Barber for months of creative work moulding together this whole production and to congratulate Nick and Carolyn on the birth of their own second little "Buttons" just before we go on stage.

Forgive our shortcomings! Hiss and Boo - Cheer and Laugh!
What better way to start 1992 all together!!
