# The Chairmans Bit

Welcome to our eleventh pantomime, *The (real) Wizard of Oz*. Once again we bring you a completely new script written by Jill Evans and Justin Heasman. Loosely (very loosely) based upon the story of the Wizard of Oz the pantomime brings together all the features of the story with traditional pantomime themes. We hope you enjoy it as much as we have enjoyed putting it on for you.

Soon after we have cleared up following this week, we will begin thinking about next year's show. If it's something you've ever thought about, why not come along to our AGM or auditions and get involved, either backstage or on stage. There's nothing wrong with putting on makeup and women's clothing and prancing around on the stage it's absolutely normal behaviour I must go now, nurse is here with my afternoon medication.

*Paul Durham*

*I have to write a poem  
to welcome you to our show  
I don't know where to start  
but I suppose I'll give it a go*

*We hope you really like it  
and that you have some fun  
booing all the baddies  
until the good have won*

*So take your seats  
and be sublime  
so we can start  
our pantomime*

# The Directors Thingy

## JUSTIN HEASMAN

Welcome to the Probus Pantomime 2002 *The Real Wizard Of Oz*. After directing last year's successful pantomime 'Peter Pan' little did I know that I would be dragged back kicking and screaming to do another pantomime! So after a quick telephone call to my Co-Director Jill Evans to let her know that we have been asked to do another show, I knew things we're going to be difficult when the telephone was thrown out of the window by Jill and the line went dead! (Only kidding)

So from that moment Jill and myself got together and drafted a script for the popular show "The Wizard Of Oz". Next came the casting, then the music and lyric writing, closely followed by the choreography and everything else. Then a week before opening night after trying to choreograph the fight / chase scene we were both ready to get on the next boat to America, but thankfully things finally came together.

This year you will see some new faces as well as the old ones in our principal and supporting cast, but this show has really proved to be a good challenge for our younger members who you will see as the marvelous Munchkins. (Loads of them). All you have to do is sit back and be entertained; and if you get the sudden urge to jump up and down cheering the goodies and booing the badies do so whenever you feel like it!

On a personal note I would like to thank everyone who helped make this production possible and for supporting me in every way that they could. Thank you again!

So, just remember... **Don't Stop Movin'** down the yellow brick road until the **Witch Is Dead** and Dorothy is **Going Home!**

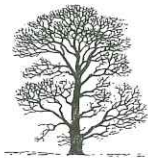

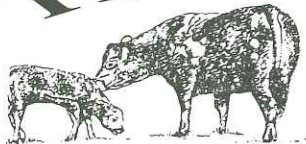

Have a great night (or a great day if you are at a matinee) and enjoy the show!

*Justin Heasman*

Welcome to Probus Panto! *The Real Wizard Of Oz*. I know you'll all have lots of fun, It's better than last years was. Tink turned into Toto, Peter Pan turned into a witch! Although, that she's all grown up now, She's still a bit of a titch. Just 'cause I'm the director, Doesn't mean that I can't act. Been many a character for years now, Even tried on Merlins hat! Been a king, a clown and a pirate but, now I'm a cockney lad I've Married Prince Malcolm loads of times, I think I'm going mad! So, I'll hand you over to Dorothy and over the rainbow you'll go. You'll find amazing adventures there sit back and enjoy the show! Justin Heasman.

*This year I'm playing Toto as a dog of course I'm hairy,  
Last year I played Tinkerbell the silly singing fairy,  
With my shiny shoes and sparkling dust and mystical magic wand,  
With Twinkle as my apprentice we formed a massive bond,  
This year with no apprentice or fellow partner in crime,  
Your the only ones to hear me, to the cast I only mime.  
I hope you like my ditty as I think it's rather witty, but now I have to  
flee and find myself a tree!  
We hope you enjoy our pantomime and come back to see us time

My name is Rachel but I'm known as Moon,  
 You'll see me on stage in my first panto soon!  
 I live down the hill in Gwell-an-Nans  
 and art holds the key to my future plans.  
 I've painted the scenery with 'lion' - that's Jess  
 We did try our hardest not to make a big mess!  
 Tonight I am Dorothy ready for that yellow brick road  
 And keeping those Ruby slippers that witch feels she's owed.  
 Miss Gail is dizzy with a dog for a friend,  
 But watch very carefully for the twist at the end!  
 Sit back, relax it's time for the show and look out for  
 Evillene She'll get you ya know!  
 Rachel Moon.

Being a dumb scarecrow, don't stop me scaring no birds,  
 I've flown smack into a pigeon, came out with some right naughty  
 words!  
 Being a crazy-type dancer, I don't mind acting the loon,  
 Especially love the singing, shame it's never in tune!  
 Mentally blond is not stupid Cos I've been an absolute swot,  
 Why do I bother with college? Rather make robots!  
 Sit back enjoy the panto, don't worry it'll soon start,  
 Yes I am with the director, but that's not how I got my part!  
 Emma Creber

As the Lion I get quite a fright,  
 I'm afraid he's not really that bright!  
 Other characters I have played before,  
 Have similar personas I am sure,  
 dumb Pirate, Front End of a Cow,  
 A bimbo 'Babs Blogs' ya get it now?!  
 But my aims for the future are high,  
 Just hope I make it before I should die.  
 When I become famous you can all say  
 Wow I saw her in panto Jess Bray?!  
 Jess Bray.

Tall and thin made of tin  
 With flashing lights in parts,  
 I have a brain and courage too,  
 I only miss a heart.  
 Irish, Scottish even Cockney I've tried so many ways to invent  
 Tin mans accent and fancy turn of phrase.  
 A year ago a different show along side captain hook I played  
 tick tock A great green crock  
 You must have read the book.  
 Jamie Taylor.

# Synopsis

## The Real Wizard Of Oz

*Our story begins when we are introduced to Dorothy Gail and her sarcastic, but ever faithful, dog Toto. After planning to run away from Probus, Dorothy and Toto encounter a tornado, which sends them somewhere over the rainbow, to a land populated by strange and fantastic creatures, both good and bad.*

*When finally thrown free of the cyclone, things go from bad to worse, when her house lands on top of the Wicked Witch of the East, squashing her flat. Determined to get her revenge on Dorothy, Evillene, the Witch of the West, assisted by her fools Twizzle and Twoddle, schemes magical tricks in an attempt to kill Dorothy! Meanwhile, with the help of the good witch Glinda, and many new friends, Dorothy embarks on a wonderful adventure to find the Wizard of Oz, who will hopefully send her back home to Probus.*

*But...*

*Will Dorothy and Toto survive Evillene's evil plan?*

*Who are Twizzle and Twoddle, and what does Glinda want with them?*

*How many wigs does Evillene possess?*

*What really is at the end of the rainbow?*

**WHO KNOWS?**

*Just sit back and enjoy the show you'll soon find your answers... But, will the ending be quite as you are expecting!*
