ABOUT

Since 1992, the Probus Parish Players have been captivating audiences with their incredible lineup of 26 pantomimes. But did you know that behind the scenes, these talented performers are die-hard musical theatre fans? This revelation sparked an idea in the mind of Shannon Wignall, the Choreographer for Aladdin 2023.

Recognising their collective passion for musicals, Shannon proposed a grand showcase of their love for the stage, and 'A Night of Musicals' was born.

Shannon's journey with Probus Parish Players came full circle when she returned in 2018, after participating in multiple pantomimes during her youth. With her extensive dance background and role as Choreographer for various productions, Shannon is thrilled to direct and choreograph this extraordinary show.

"It has been such a privilege to get to work with this extraordinary cast of talented people on putting this show together. It was a daunting task and has been challenging at times but I couldn't be more proud and delighted with the outcome! I really hope you enjoy the show and it brings you as much joy as it has brought me over the past few months.

On behalf of all of Probus Parish Players, thank You for your continued support and don't hesitate to join us in singing along!"
